

Employer Bike Fleet Grant

Businesses in Redmond are eligible for a Go Redmond grant to purchase up to 3 bicycles, helmets, locks & travel bags for use of their employees.

The employer is responsible for providing storage and maintenance of the bicycles. Additional Go Redmond grant funding is available to assist.

These bikes could be used by employees to:

- Get to lunch
- Travel to meetings
- Try bike commuting
- Exercise on the new Redmond Central Connector trail

Go Redmond works to inspire the community to embrace a culture of walking, biking, ridesharing, and transit in Redmond.

Bicycle Fleet for Employers Grant Application

Redmond is a city with two vibrant urban centers. In order to reduce traffic congestion as these areas grow, the Go Redmond program has identified an opportunity to expand access to bicycle transportation options through a bicycle fleet grant for Redmond Employers.

There is no financial risk to the property owner or manager to participate. The City is acting solely as a funding agency. The City is not the vendor of the bicycles and assumes no responsibility whatsoever for the same. The City makes no representations or warranties regarding the bicycles and any such warranties or representations are the sole responsibility of the vendor. Employers are responsible for the storage, maintenance and up keep of the bicycles going forward. Additional grant resources are available from Go Redmond to cover these costs.

To participate, simply complete the following application and return to Caroline Chapman, Go Redmond Program Administrator:
